# IRISH WHISKEY

## OLD BUSHMILLS

### Bushmills Original Irish Whiskey (40%)

A blend of triple distilled single malt whiskey with lighter Irish grain whiskey. With its rich warming taste of fresh fruit & vanilla its said to "burst on your tongue before turning to honey in your cheeks", try it!

### Bushmills Black Bush (40%)

Right from the pour, the dark colouring is noticeable, a result of maturing for up to 7 years in Spanish Oloroso sherry casks & sweet bourbon barrels. This 80% malt premium whiskey floats across the tongue to deliver dark, velvety fruity notes right through to the back of your throat.

### Bushmills Red Bush (40%)

Red Bush is a blended whiskey aged in first-fill-bourbon casks. No age statement is given other than the standard "at least three years of age" as is the youngest age requirement for any Irish Whiskey. The aroma is quite sweet on the Demerara sugar side. This mingles with light cereal grains & light barrel spices.

### Bushmills 10 years (40%)

The first of the single malts, & one that will leave you with an exceptionally smooth finish. The distinctive Bushmills light fruity aroma is the result of 10 years of maturation mostly in bourbon seasoned barrels.

### Bushmills 16 years (40%)

Two whiskeys are matured for 16 years, one in a bourbon barrel & the other in sherry, then married together in a sweet port-infused cask. An intense taste, leaving a hint of dark chocolate.

### Bushmills 21 years (40%)

An exquisite Irish whiskey, matured in a mixture of Oloroso Sherry & Bourbon casks, before a two year marrying period spent in Madeira casks. Produced in limited numbers, each bottle is numbered.

## JAMESON DISTILLERY DUBLIN

### Jameson 1780, Signature Reserve (40%)

A special selection by a master blender of old triple distilled Jameson whiskey, matured in both Oloroso distilled & ex-bourbon American barrels, this whiskey has sweet, nutty sherry & toasted wood tones.

### John Jameson triple distilled (40%)

The craft of producing Jameson is a combination of the purest pot still & grain whiskeys, triple distillation & many years of maturation resulting in delicious hints of spices & sherry tones.

### Jameson Black Barrel Select Reserve (40%)

AKA Small Batch – a super release from Jameson, with a high proportion of Irish pot still whiskey as well as small batch grain. The result is an increased body & level of richness when compared to the core expression. It's aged in double charred first fill bourbon casks (black barrels)

### Jameson 12 years (40%)

Matured in a combination of Oloroso sherry casks & seasoned bourbon barrels, Jameson 12 Year Old is an intense but smoothly balanced whiskey. Some things can't be rushed, & the patience allowed for this whiskey delivers robust notes of spice, sherry & toasted fruit that will appease the most demanding palate

### Jameson Caskmates Stout Edition (40%)

Jameson Caskmates is an intriguing release. Having sent some of their casks to the local craft stout brewers at Franciscan Well, the casks were returned to Midleton where they were subsequently used to give a stout finish to Jameson

### Jameson Crested Ten (40%)

Crested Ten was first released by Jameson in 1963, when the whiskey bonding trade was dying out. With a high proportion of pot still & Sherry-matured whiskeys, this is a top Irish blend, a real gem.

## ST. PATRICK'S DISTILLERY, CORK

### St. Patrick's Single Malt (46%)

St. Patrick's Irish Whiskey is matured for more than 3 years in first fill bourbon barrels using 3 year old grain blended with 21 year old malt

# IRISH WHISKEY

WHISKEY

## IRISH DISTILLERS MIDDLETON

### WALSH WHISKEY DISTILLERY

#### The Irishman Single malt (40%)

This is a classic Irish Malt, triple distilled & aged in Oak Bourbon & Oloroso Sherry Casks to give exceptional flavour & complexity.

#### Writer's Tears Pot Still blend (40%)

Writer's Tears is a light, sweet Irish whiskey made using a mix of single pot still & single malt whiskies, resulting honey'd, fruity notes. Easy to drink, it would make for a great introduction to Irish whiskey.

### INDEPENDENT DIST.

#### Knappogue Castle 12 years old (40%)

Made exclusively from un-peated malted barley & aged in ex-bourbon casks for 12 years. Gold colour, a light & sweet nose with honey, toasted malt & a hint of milk chocolate

#### Teeling Rum Cask Irish Whiskey (40%)

Produced by the Teeling Whiskey Company, this is a delicious small-batch blend with a very high malt content. It's also been matured in rum casks for added spice, with hints of dried herbs & cinnamon. A deliciously creamy, spicy & rich Irish blend

#### Teeling Single Grain Irish Whiskey (40%)

Released in 2013, Teeling's Single Grain Whiskey has been matured full term in Californian Cabernet Sauvignon wine barrels, resulting in a spicy & fruity whiskey. Flavours open up with water.

### DUBLIN LIBERTIES DISTILLERY

#### The Dublin Liberties Oak Devil Irish Whiskey (46%)

The Dublin Liberties is a blended Irish whiskey from Quintessential Brands. Inspired by the eponymous area of the Irish capital, this has been aged in bourbon casks & is filled with notes of caramel, Christmas cake & pepper

#### Midleton Very Rare (40%)

The nose is complex & well-balanced with notes of spice, potpourri, wood resin, oak & juicy cereals. The palate is creamy & sweet with notes of fresh flowers, butterscotch & vanilla. The finish is long & spicy.
